

ASHTON HEIGHTS®

VARIFORM®
by PLY GEM

DURABILITY + CONVENIENCE

Ashton Heights is a great choice for new construction projects. A double-staggered nail hem makes installation fast and easy. Thick panels stand up to wind and harsh conditions. A detailed finish and deep shadow line create a beautiful painted-wood look without the upkeep.

PERFORMANCE

- .042" panel thickness for superior durability
- 5/8" panel projection enhances rigidity
- Resists winds up to 175 mph*
- Double-staggered nail hem for secure attachment to your home
- Color-through technology reduces the appearance of scratches
- Won't peel, flake, check or craze like paint
- Scenic Scapes® colors use Permahue®, a color enhancer that combines an ASA resin and Variform's proprietary technology to ensure colors resist fading

SCENIC SCAPES®
Color Collection

STYLE

- Subtle woodgrain emboss with ultra-low gloss finish
- Deep panel projection creates natural shadow lines
- Available in a broad range of decorative and Scenic Scapes® colors
- Available in D4 and D5 Traditional Lap and D4.5 Dutch Lap styles

DEPENDABILITY

- Limited Lifetime Transferable Warranty
- Virtually maintenance free

* Tested in accordance with ASTM D5206. Windspeed rating will vary depending on specific code region and construction method. Refer to local building codes for detailed requirements concerning allowable wind loads and specified conversion tables for actual windspeed.
